

Legal Student Analyst at Hereford Capital

Hereford Capital is a London-based private equity firm investing in UK companies with £5M-£100M in annual revenues. Our key focus is management buy-outs, performance improvement and asset-backed loans. The uncertainty created by Brexit has created a particular demand, and investor interest, for the types of investments we provide. We have now seen success in raising our first Fund, making this coming month a particularly exciting time to join our team.

We are currently looking for LLB/LLM/LPC students to join us in December and early January at Analyst level.

Two tracks are offered:

- 1) Fund Formation & Compliance
- 2) Corporate Recovery & Litigation

The Hereford Legal Analyst experience:

As a Legal Analyst at Hereford, you will be part of a growing and ambitious team whose main task is to carry out the litigation and compliance-related tasks of the firm. In addition, you may be drafting transactional documentation and providing ongoing assistance to the group's portfolio companies.

Employees have following their time with us gained access to leading law schools, business schools and traineeships with such firms, including Goodwin Procter and Clifford Chance.

The Legal Analyst experience is ideal for candidates who are pursuing a LLB/LLM/LPC and are seeking part-time work to practise the theories they have learnt in real-life situations. The focus areas of the role may include, but are not limited to:

- Fund formation and marketing
- Corporate recovery, disputes and litigation
- Financial and regulatory compliance (FCA, SEC, AIFMD, FATCA, Cayman)
- Legal documentation for portfolio companies, incl employment contracts, NDA drafting and review
- Investor, Investment and Security agreements

Successful Legal Analysts may receive the option to stay at Hereford Capital for a full-time summer or off-cycle internship.

We look for the following qualities in our candidates:

- Responsible and independent; structured and systematic in approach to own work
- Excellent communication skills; verbally and in writing
- Highly ambitious, with the desire to create a different and unique professional profile
- A proven interest in business and financial law – as reflected in their studies, earlier work experience, etc.

We offer:

- Paid top-tier business employment in a fast-growing investment company based in Chelsea (near South Kensington station) and Mayfair, London
- Daily interaction with senior lawyers from Baker McKenzie, Macfarlanes, Walkers Global and other leading City firms
- Relevant work experience and growing responsibility within the firm and our portfolio companies. We accentuate this further through sponsored fast-track training, paid-for learning materials and structured learning plans to track and accelerate personal progress throughout the employment
- Flexible working hours adjusted to individual requirements; between 10 and 15 hours per week during term time, no work during exam period and either part or full time (up to 35-40 hours/week) outside term time
